# UNLOCK THE PAST HISTORY & GENEALOGY

# CRUISES

2015 - 2016

*With over thirty years of genealogy conferences behind me, I had long ago decided that the best conferences were those that were 'live-in'—with on-site accommodation—you can really feel you are in Genealogy Heaven!! Now I know better! Now I know real Genealogy Heaven is an UTP cruise! Cocooned in another world; with friends—new and old; eating, drinking, sleeping, learning, absorbing genealogy!! 24/7!! Sea days; shore days; EVERY day a gem!!!*

**Jan Gow, New Zealand**  
1st, 2nd, 3rd and 4th cruise presenter

*I love UTP genealogy cruises for a whole host of reasons. Getting to meet international speakers and be inspired by them; to hear and learn from other Australian and New Zealand speakers; catching up with old genealogy friends; meeting new friends; having the ability to go to a conference and not having to worry about getting there each day or finding a place to go for dinner each night; the opportunity to see new places; fine dining every night and ship board entertainment. It is the ultimate holiday for me!*

**Shauna Hicks, Australia**  
1st, 2nd, 3rd, 4th, 8th, 9th and 12th cruise presenter

*I think an Unlock the Past genealogy cruise is marvelous. You can confirm this by the excellent feedback you'll hear from other attendees. And wow, what a program of genealogy presentations they put together. Due to the length of the cruise, there is more content available than you can get in any land-based 3-day conference. And there's more time in-between to relax.*

**Louis Kessler, Canada**  
3rd and 11th cruise presenter

*A genealogy conference on the high seas? Not only do you get all the fun of a regular cruise, you have the opportunity to network with other family historians from all over the world. The best part: the lectures and educational presentations are offered by some of the leading speakers in the genealogy industry. And Unlock the Past Cruises has the best selection of destinations and speakers hands down!*

**Thomas MacEntee, United States**  
4th cruise presenter

*UTP genealogy cruises offer opportunities galore—to learn from and interact with world-class speakers, to make new friends, see the world, and enjoy one of the best genealogy conferences available anywhere. The length of the conference and the schedule flexibility allow for key presentations as well as impromptu small group sessions around topics of interest. Cruise destinations allow you to learn while sharing travel time with your non-genealogy traveling companions. Come join us.*

**Paul Milner, United States**  
3rd and 8th cruise presenter

*Only one thing beats a good genealogy conference, and that is a genealogy conference that offers a chance to see a bit of the world, to enjoy some top class entertainment, and above all else, meet many other people sharing a similar interest. It's also the perfect family holiday, with plenty of fun activities for your partner and kids to get up to on board whilst you're attending conference sessions!*

**Chris Paton, Scotland**  
2nd, 4th and 8th cruise presenter

# History and genealogy cruising

Cruising is a popular holiday experience but combining cruising with exploring your family history is a relatively new phenomenon. This experience offers the cruiser the opportunity to participate in the everyday ship activities, go ashore at the ports of call as well as enjoy the presentations and advice of researchers in a variety of history and genealogy disciplines.

The conference is perfect for beginners and experts—all will learn something on an Unlock the Past cruise. You can meet with like-minded people, expand your genealogy network, participate in special interest groups, and attend your choice of presentations on a huge range of topics. If you have 'brickwalls' in your research ask the experts in the Research Help Zone to help demolish them.

Unlock the Past has an exciting range of cruises planned for 2014-2017—short taster cruises, destination focused cruises and others with a conference focus. A cruise provides an opportunity for you to explore your history in a novel way!

## Compare!

### Cruises offer great value holidays

- » unpack your bags once—no “living out of a suitcase”
- » cruise cost includes all accommodation meals and entertainment

An Unlock the Past cruise offers a great value holiday PLUS a unique conference and networking experience with some of the world's leading experts.

#### Comparing cruise holidays with land holidays

P&O Cruises (Aust) have a great DARE TO COMPARE table in their 2014-16 cruise catalogue

You can check their cost breakdown and details in the current P&O catalogue, which is available for download or mail delivery from their website—and no doubt from travel agents. Here is their summary of 7 night holidays out of Sydney to various destinations.

• Bali	\$1561
• Thailand	\$2241
• Gold Coast	\$1296
• Fiji	\$1719
• <b>P&amp;O cruise</b>	<b>\$1101</b>

#### Comparing an Unlock the Past cruise conference with a major land genealogy conference

VALUE—a major cruise conference compares very favourably with a major land conference. There are many excellent traditional land conferences, but a national conference over 3-4 days may cost nearly AU\$2000 to attend, allowing for conference fees, travel (from interstate), local transport, accommodation and meals. A 7-9 day cruise conference for a similar outlay (or maybe less) offers more than comparable value.

- more topics to choose from
- attend up to twice as many presentations
- much more free time
- one-on-one time with experts
- bonus of all that a cruise offers by way of holiday benefits
- visit interesting places all within the cruise cost
- comprehensive activity and entertainment choices, most free
- great for non-history/genealogy partners—plenty else to do

Albany was the gathering point for the convoys carrying the Australian Imperial Force (AIF) and New Zealand Expeditionary Force (later to be known collectively as the ANZACs), that departed from Albany in November and December 1914. The cruise program will have some tie in with this occasion—as part of a wider general interest program.

## Itinerary for a similar cruise in 2015

2016 itinerary details have not been released, but it is likely to be similar to 2015

### DAY 1—ARRIVE IN AMSTERDAM, HOLLAND (EMBARKATION).

Welcome to Amsterdam! Holland's sophisticated, modern capital has a rich and fascinating history. This delightful 700-year-old city with its elegant and classic architecture, cafes, and restaurants has a distinct ambiance. The streets, squares, and canals - not to mention the bike paths throughout the city - make for a vibrant atmosphere, and with over 60 museums, Amsterdam has the highest museum density in the world. Perhaps you would like to take an optional excursion to Zaanse Schans with its traditional houses and Dutch craft workshops. This afternoon, board your river cruise vessel and meet your crew at an evening welcome reception. (D) (NOTE: Guests must be on board ship by 5 pm.)

### DAY 2—AMSTERDAM

There is no better way to see Amsterdam than by CANAL BOAT, cruising through the elegant grachten lined with stately homes dating back to Amsterdam's 'Golden Age.' There's free time in the city this afternoon - you might like to join an optional biking tour (weather permitting). Later, bid tot ziens (farewell) to Holland and set sail for Germany.

### DAY 3—COLOGNE, GERMANY

Today, enjoy a peaceful morning of cruising before reaching Cologne in the afternoon. One of Germany's largest cities and capital of the Rhineland, Cologne straddles both sides of the Rhine, and is known for its soaring, twin-steepled gothic cathedral. Choose between an included GUIDED CITY WALK or JEWISH HERITAGE WALK. The Old Town abounds with cafes, shops, and taverns. Be sure to try a Kolsch pale lager, locally brewed in Cologne for over a hundred years!

### DAY 4—KOBLENZ-RHINE GORGE-RÜDESHEIM

Situated at the confluence of the Rhine and Moselle Rivers, 2,000-year-old Koblenz is the cultural and business centre of the Middle Rhine region. Here, join a Local Guide for a WALKING TOUR of the city that reveals an eventful past through its castles, fortress walls, towers, squares, and monuments. The dramatic RHINE GORGE is the most beautiful stretch of river. Here, ancient castles stand sentry on lofty cliffs rising 122 metres (400 feet) above the waters. Cruise past the legendary rock of the Lorelei, where echoes of enchanted siren song lured unwitting sailors to their doom. In Rüdesheim, the quintessential Rhine Valley wine town, visit SIEGFRIED'S MECHANICAL MUSICAL INSTRUMENT MUSEUM, where you'll see and hear a large collection of self-playing calliopes and music boxes from the 18th to the early 20th centuries. Enjoy a SPECIAL TREAT before returning to your ship for dinner.

### DAY 5—MAINZ. EXCURSION TO HEIDELBERG

Strategically located at the confluence of the Rhine and Main Rivers is

Mainz, with 'civilized' origins dating back to around 38 BC. Today, this is Germany's largest and most important wine market. Join your Local Guide for a GUIDED WALK through the Altstadt (Old Town) with its many intriguing shops and the whimsical Fastnachtsbrunnen (Carnival Fountain) on the Schillerplatz, a tribute to the jesters at the city's annual Carnival celebration. Gutenberg, father of modern printing, was born here, and you'll visit the captivating GUTENBERG MUSEUM. After lunch, travel to Heidelberg, home to the oldest university in Germany. With a Local Guide, visit the imposing ruins of HEIDELBERG CASTLE, towering magnificently over the city and among the most important Renaissance structures north of the Alps. You'll also see the famed GREAT VAT, the 'World's Largest Wine Barrel.' At nearly 7 metres high (23 feet) and 8.5 metres wide (28 feet), the cask holds over 219,554 litres (58,000 gallons) of wine and has a dance floor built on top of it!

### DAY—STRASBOURG, FRANCE

Situated on the border of France and Germany, Strasbourg blends the cultures of both countries in a delightful way. As capital of the Alsace region and seat of the Council of Europe and European Parliament, it is without a doubt an important city that manages to retain its historic charm. On your GUIDED SIGHTSEEING TOUR, visit the monumental red-sandstone GOTHIC CATHEDRAL with its ancient murals, stained-glass windows, and fascinating astronomical clock, as well as the magical LA PETITE FRANCE district, home to half-timber houses, quaint shops, inviting bistros, and a waterfront promenade. Also spend time exploring Place Kleber, a large historic square in the heart of the city, and Place Gutenberg in the heart of medieval Strasbourg, which features a statue of the inventor of the printing press. An optional excursion into the Alsace wine country is available today. After dinner tonight, enjoy an onboard WOODCARVING demonstration.

### DAY 7—BREISACH, GERMANY. EXCURSION TO THE BLACK FOREST

Located at the foot of Kaiserstuhl Mountain on the French-German border, Breisach is the gateway to Germany's BLACK FOREST region, an area of unrivaled natural beauty with its forests of thick pine trees. The area got its name because the forests are so dense that local residents described them as black. Surely the most well-known products from this region are Black Forest ham, Black Forest cherry cake, and cuckoo clocks. You may opt for a visit to the workshop of a local woodcarver who produces clocks and other carvings, or to the open-air Museum of Vogtsbauernhof to see how life was lived in this area centuries ago.

### DAY 8—BASEL, SWITZERLAND (DISEMBARKATION)

Your holiday ends with breakfast this morning. (NOTE: Departure flights should not leave Zurich Airport before 10 am.)

*Deluxe stateroom E & D*

*Panorama suite B & A*

### 1st cruise testimonials

I had an absolute ball and gained sooooo much information, tips and tricks. I am very excited to be able to come home and hopefully knock down some of those Stop signs! ... was definitely one of those who wanted to do everything ... The lectures were interesting, informative and inspiring. The presenters were fantastic and I am so grateful for their time – not only the presentation itself but the preparation that must have gone into it, and also their willingness to share ... The lunch/dinner tables were terrific ... Overall though, I really did have the best time ... Everyone did the most amazing ... —Kerin Stinear, Qld

Yes it has been a shock coming back home and having to fend for ourselves after being looked after so well on the ship. Jacqui and I certainly enjoyed our time on the cruise and I hope that my contributions to the events were helpful to the attendees. I wanted to thank you and the rest of your team for the wonderful job you all did organising the event ... Everyone I spoke to was certainly pleased with the variety and scope of the programme.  
— Jeremy Palmer, NSW (speaker)

### 2nd cruise testimonials – from blog posts

Hard to believe the 14 days are nearly over, I could easily stay at least another week!... — Shauna Hicks

The highlight for me ... was Chris Paton ... an authority on Scottish and Irish history and research. I learnt so much from Chris and am really looking forward to some free time over Christmas to put his advice into practice ... — Jennifer Jones

Genealogically I learned so much on the trip that it would be impossible to include it all in a single post ... - Chris Paton, lead presenter on the cruise, British GENES – cruise review

Aside from the talks, my family and I had a great day on Wednesday in Rotorua, visiting the geysers there and taking my life in my hands on the Sky Swing. Freefall for fifty metres in a car, which then swings for a couple of minutes as a pendulum – on the top of a mountain! Hopefully the laundry bill won't be too expensive...! ... a great time sightseeing...  
— Chris Paton, lead presenter on the cruise, British GENES – first report

### 3rd cruise testimonials

What a fantastic and wonderful experience it has been. Great speakers and a good variety of topics. I now know that I am on the right track with my research. I was traveling solo yet felt I was part of a warm and friendly group. - Thank you.  
— Laretta Nobes

Thus endeth a wonderfully successful conference, and an amazing cruise  
— Louis Kessler (Canada)

### 4th cruise testimonials

This was our first cruise, of any kind, and we were blown away by the quality of the venues and the food, on board. Much better than most hotels we have stayed in. To top it off we were seated for dinner with some really lovely people. We are still exchanging the odd email and photos.

WOW! Never cruised before, will cruise again.
